Nicolas Glocker

Address:	Otterbachstraße 18, 79576 Weil am Rhein
Date of Birth:	20.05.2001 in Nagold
Phone:	+49 151 2632 3817
Email:	nicolas.glocker.ng@gmail.com
Nationality:	German, French

Education

9/2022 – 01/2026

DHBW, Trinational Mechatronics Program

- Expected degrees: Bachelor of Engineering (DHBW), Bachelor of Science (FHNW), BAT & BUT (UHA)

10/2019 – 03/2022

Esslingen University of Applied Sciences, Mechatronics / Automation & Production Engineering

09/2011 – 07/2019

Wagenburg Gymnasium, Stuttgart

- Qualification: General Higher Education Entrance Qualification (GPA: 2.2)

Practical Experience

1/9/2022 – 03/2026

A. Raymond GmbH & CO .KG, Weil am Rhein (GER)
Dual Program Partner

- **Phase 1:** Completed part of the training program for Electronics Technician; Analyzed inspection intervals and created optimized inspection distribution tables
- **Phase 2**: Analyzed central material supply using SAP; Developed a material flow/supply concept in Visio
- **Phase 3:** Planned and executed experiments on the influence of temperature and cleaning media composition on dosing precision

12/08 – 28/09/2019

Mercedes-Benz AG, Sindelfingen Plant (GER)
Holiday job in E-Class engine final assembly

- Exposure to mechanics and electronics
- Installation of various engine components (especially generator and oil cooler)

27/02 – 03/03/2017

FORSEE POWER, Moissy Cramayel (FR)
BOGY internship

- Introduction to all areas of a medium-sized battery manufacturer

20/02 – 24/02/2017	**FESTO AG & Co. KG**, Esslingen (GER) BOGY internship • First insights into research & development in a global company
08/01 – 05/02/2015	**Therapeuticum Raphaelhaus**, Stuttgart (GER) Social internship • Working with and supporting people with disabilities

Skills & Competences

Languages

- German (native)
- French (native; DELF B2, 2017)
- English (fluent spoken and written, C1 2022)

IT Skills

- Microsoft Office (Word, Excel, PowerPoint), VBA
- CAD: Autodesk Inventor, PTC Creo, PTC Onshape
- Technical software: Matlab, LabVIEW, KiCad
- Automation: PLC programming (TIA)
- Programming: C#, C, C++, Java, JavaFx, Python
- 3D printing: FDM

Driver's License

- Class B

Additional Experience

03/2025 - 06/2025	Trinatronics Competition (TriRhenaTech)
2018	South African student exchange (The Settlers High School, Cape Town)
09/2017 - 07/2018	Student Engineering Academy (SIA)
07/2017	Intensive language course in England, Cheltenham College

Sports

Currently	Running, Strength Training
2008 - 2019	Football, Tennis, Handball, Climbing, Table Tennis

Hobbies

Traveling, 3D Printing

Weil am Rhein, 23.02.2026
